

Dear students,

as all libraries of the SRH Berlin University of Applied Sciences are currently not open to the public until further notice, we would like to offer you a new service for this time and send you the media directly.

Where can I search for borrowable media?

Please use your school's online catalog for the research.

- [OPAC](#) for the BMS / BST
- [OPAC](#) for the BSDC
- [OPAC](#) for SOPA

You can then send us your requests from the library inventory by [e-mail](#).

We can deliver or send up to three media items per order.

How do I get the media?

If you live within the Berlin S-Bahn Ring, the order can be delivered to your home every Wednesday. The delivery will take place between 11 a.m. and 6 p.m.

If you would like to have media delivered, please place your order by 1 p.m. on Tuesday so that we can put it together in time.

Otherwise, the delivery takes place throughout Germany by post.

Therefore, be sure to tell us your current postal address and your matriculation number when ordering. Unfortunately, we cannot send media abroad.

How long can I borrow the media?

The loan period for all media is four weeks and will be extended if necessary.

Returns are possible as soon as the libraries are open to the public again.

We will inform you about this date in time by e-mail.

If you have any questions, please do not hesitate to contact us at library.hsbe@srh.de or by phone daily from 10 a.m. to 12 p.m. (Pamela Schmidt at 030 233 2066 40) and 3 p.m. to 5 p.m. (Anne Fischer at 030 374 374 170).

Kind regards and stay healthy,
Your library team
